

# Great African Seaforest, Habitat of Hope

This is what the Great African Seaforest would look like if we worked together to protect it. Join us in making this the abundant seaforest of our dreams.

1. Cape Fur Seal *Arctocephalus pusillus*
2. Hartlaub's Gull *Chroicocephalus hartlaubii*
3. Acorn Barnacle *Balanus glandula*
4. Sandy Anemone *Bunodactis reynaudi*
5. Dwarf Spotted Anemone *Anthostella* sp.
6. False Plum Anemone *Pseudactinia flagellifera*
7. Venus Ear *Haliotis spadicea*
8. Trap Limpet *Scutellastra argenvillei*
9. Volcano Barnacle *Tetraclita serrata*
10. Variegated Topshell *Oxystele variegata*
11. Granular Limpet *Scutellastra granularis*
12. Cape Keyhole Limpet *Fissurella mutabilis*
13. Cochlear Limpet *Scutellastra cochlear*
14. Snakelet *Halidesmus scapularis*
15. Redfingers *Cheilodactylus fasciatus*
16. Cape Rock Crab *Guinusia chabrus*
17. Saddled Keyhole Limpet *Dendrofissurella scutellum*
18. Beach-hopper Amphipod *Capeorchestia capensis*
19. Super Klipfish *Clinus rotundifrons*
20. African Penguin *Spheniscus demersus*
21. Sand Steenbras *Lithognathus mormyrus*
22. Three-spot Swimming Crab *Portunus sanguinolentus*
23. Cape Mantis Shrimp *Pterygosquilla capensis*
24. Surf Shrimp *Macropetasma africana*
25. Kelp Klipfish *Clinus rotundifrons*
26. Cape Cormorant *Phalacrocorax capensis*
27. African Oystercatcher *Haematopus moquini*
28. Kelp Gull *Larus dominicanus*
29. Reticulated Seastar *Henricia ornata*
30. Lemon Pleurobranch *Berthellina granulata*
31. Tuberculate Cuttlefish *Sepia tuberculata*

32. Agile Klipfish *Clinus agilis*
33. Giant Clingfish *Chorisochismus dentex*
34. Janbruin *Gymnocrotaphus curvidens*
35. Red Encrusted Sponge *Clathria oudekraalensis*
36. Black Musselcracker *Cymatoceps nasutu*
37. Mousy Klipfish *Fucomimus mus*
38. Jutjaw *Parascorpius typus*
39. Carpet flatworm *Thysanozoon brocchii*
40. Cape Clawless Otter *Aonyx capensis*
41. White Stumpnose *Rhabdosargus globiceps*
42. Blacktail *Diplodus capensis*
43. Giant Limpet *Scutellastra tabularis*
44. South African Abalone *Haliotis midae*
45. Snakehead Toadfish *Batrachthys apiatus*
46. Cape Dorid *Hypselodoris capensis*
47. Snaky Klipfish *Blennophis anguillar*
48. Spotted Sea Hare *Aplysia ocellifera*
49. Fransmadam *Boopsoidea inornata*
50. Peacock Klipfish *Pavoclinus pavo*
51. Hottentot Seabream *Pachymetopon blochii*
52. Zebra *Diplodus hottentotus*
53. White Steenbras *Lithognathus lithognathus*
54. Red Steenbras *Petrus rupestris*
55. Weedsucker *Eckloniaichthys scylliorhiniiceps*
56. Red Roman *Chrysoblephus laticeps*
57. Red Stumpnose *Chrysoblephus gibbiceps*
58. Salema Porgy *Sarpa salpa*
59. Galjoen *Dichistius capensis*
60. White Musselcracker *Sparodon durbanensis*
61. Cape Knifejaw *Oplegnathus conwayi*
62. Crowned Nudibranch *Polycera capensis*

63. Sinuous Sea Fan *Eunicella tricornata*
64. Twotone Fingerfish *Chirodactylus brachydactylus*
65. Chubby Clingfish *Apletodon pellegrini*
66. Bearded Limpet *Scutellastra barbara*
67. Patchwork Cuttlefish *Sepia vermiculata*
68. Common Octopus *Octopus vulgaris*
69. Soupfin *Galeorhinus galeus*
70. Cracker Shrimp *Alpheus macrurus*
71. Dark Shyshark *Haploblepharus pictus*
72. Sevengill Cowshark *Notorynchus cepedianus*
73. Spotted Gully Shark *Triakis megalopterus*
74. Common Smoothhound *Mustelus mustelus*
75. Dwarf Sea Urchin *Aplysia* sp.
76. Leopard Catshark *Poroderma pantherinum*
77. Blue Stingray *Dasyatis chrysonota*
78. Cape Sole *Heteromycteris capensis*
79. Brooding Cushion Star *Pteraster capensis*
80. Elongated Sand Klipfish *Cancellopus longior*
81. Cloaked Sponge Crab *Pseudoromia latens*
82. Shelled Sand Slug *Philine aperta*
83. South African Turban Turbo *sarmaticus*
84. Candy-striped Anemone *Korsaranthus natalensis*
85. Puffadder Shyshark *Haploblepharus edwardsii*
86. Broad Chiton *Callochiton dentatus*
87. Barehead Goby *Caffrogobius nudiceps*
88. Long-snouted Pipefish *Syngnathus temminckii*
89. Helmet Snail *Cassis tuberosa*
90. West Coast Rock Lobster *Jasus lalandii*
91. Pyjama Shark *Poroderma africanum*
92. One-fin Electric Ray *Narke capensis*
93. Cape Sea Urchin *Parechinus angulosus*
